### **DETAILED ACTION**

1. This application claims benefit of the foreign application:  
EUROPEAN PATENT OFFICE (EPO) 02024183.2 with a filing date 10/30/2002.
2. Amendment of claim 1 and cancellation of claim 24 in the amendment filed on October 05, 2007 is acknowledged. Claims 1-23 and 25-26 are pending in the application.

### ***Responses to Amendment/Arguments***

3. The rejection of claims 1-15 and 26 under 35 U.S.C. 112, second paragraph has been overcome in the amendment filed on October 05, 2007.

### **EXAMINER'S AMENDMENT**

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Ashley I. Pezzner on November 26, 2007. The application has been amended as follows:

Delete claims **16-23** and **25**.

### ***Reasons for Allowance***

5. The following is an examiner's statement of reasons for allowance:

Claims 1-15 and 26 are neither anticipated nor rendered obvious over the art of record, and therefore are allowable. This invention relates to method for the production of monomers useful in the manufacture of semiconductive polymers. The closest reference is Spreitzer et al. US 6,653,438, which discloses conjugated polymers containing special fluorescence structural elements with improved properties. The difference between Spreitzer et al. and instant claims is that the instant processes are not found in Spreitzer et al. A suggestion for modification of above reference to obtain the instant claimed processes has not been found. Claims 1-15 and 26 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
